

THINK+change, in partnership with Realm of Caring, presents

FINDING HEALTH

A Conference on the Intersection between Disability and Medical Cannabis

September 24-25, 2017

Lone Tree, Colorado

- ◆ Heard stories about how medical cannabis may or may not help people with disabilities?
 - ◆ Wondering about the difference between THC and CBD?
- ◆ Want to hear from health care providers who work with medical cannabis users?
 - ◆ How about from patients with disabilities using medical cannabis?
 - ◆ Then join us for the **Finding Health** conference!
